Any student reporting or expressing symptoms related to COVID-19 or registering a temperature above 100.3° F, during program hours, will be immediately separated from the group and monitored by a staff member in a safe and comfortable environment. Parents will be contacted and asked to arrange for the child to be picked within an hour. If the parents cannot be reached after 2 phone calls, then our staff will attempt to contact an individual listed on the Authorized Pick-Up list.

There may be additional measures implemented at certain locations, which are not listed above. Such measures will be communicated to the families by the Site Coordinator and are intended to ensure that the location is compliant with health and safety guidelines set forth by an agency or municipality that governs the area.
