Enchanted Lake Preschool NEWSLETTER

 **November 2016** 

To All Our Families:

We are excited to continue welcoming new families into our growing ohana.

As we celebrate adventures in learning throughout the year we are excited to plan field trips, welcome storytellers, and invite families to share their talents with us. Thank you to all our volunteers that continue to help support all our classrooms. Discovery and exploration in the classrooms and in our community, helps children learn about the world around them. This excitement we will continue to share with families through picture, messages and parent teacher conferences. We look forward to see all our amazing children's minds grow with knowledge and curiosity. They love to make us laugh and we all learn everyday about each other. We look forward to lots of fun and memorable time this year, and prepare our future kindergarteners for their new adventure in learning. We thank all our families for your continued support and generosity in our school. You help us make our school the great place it is for learning and fun.

It's Fall Fundraiser time November 1-31. We will be selling beef stick to fund raise for new playground and classroom materials for the children. We hope to get 100% participation.
