Aloha Parents! The month of February went by in a flash! We really enjoyed having Ronald McDonald visit us to perform his magic show! We also enjoyed dancing and moving to the music at our first Kids' Zumba session! It was hot, hot hot!

This month we will be promoting literacy and celebrating Dr. Seuss. The teachers will be reading classic Dr. Seuss books to the children and doing activities that match the books. The flyer for the parent participation activities have been sent home and posted on our bulletin boards.

Spring Season

It's already March and soon the flowers will start to bloom all around us! We will be focusing on the innovation of Spring and also on the five senses this month. The children will learn what each sense is used for and why they are important.
