

Order Lunch By 5pm Each Wednesday For The Following Week

Aloha,

Thank you for the opportunity to provide a catered lunch for your child at Kama'aina Kids. From Makaha to Kailua, Wahiawa to Hawaii Kai, we deliver meals to thousands of children per day across the island of Oahu and are delighted to be a part of your Summer Intersession.

Keiki Gourmet's menu is created in strict accordance with the CACFP-USDA Meal Component Requirements. Nearly all entrées are made from scratch and our recipes have been tested and fine-tuned to be both delicious and nutritious. Healthy options like brown rice, fresh fruits, and fresh vegetables are included, and we integrate culturally appropriate dishes which reflect our island heritage such as Kalua Pork and Cabbage, and Chicken Long Rice, among others. All meals provided are peanut-free.

Please see the below menu and sign up through Kama'aina Kids for daily lunch service. We feel that we have a quality product that your child will enjoy and appreciate the confidence you have placed in us to feed them.

Thank you,
Keiki Gourmet
